You are the new generation of

ETHICAL LEADERS

Navigate your future with an ethical education.

At The University of Notre Dame Australia, we're shaping a new generation of ethical leaders through our unique holistic approach to education.

We are here to empower you to make a difference by immersing you in an intellectual tradition that has inspired the world's best thinkers for centuries. Our lecturers are industry professionals and leaders in their field who can guide you to reach your academic potential. Our degrees offer practical, career-focused learning as well as a strong foundation in ethics to help prepare you to achieve your professional and personal goals.

We provide you with a transformative educational experience that combines theoretical knowledge and practical skills relevant to your chosen profession, with the aim of helping you graduate job-ready. It's why we are the No.1 university in Australia for Overall Satisfaction and Skills Scale (2020 Graduate Outcomes Survey undergraduate category – qilt.edu.au).

Enhancing your employability

At Notre Dame you have unparalleled opportunities to gain the skills and experience employers value. Here are some of the reasons why our graduates are among the highest rated by employers for overall satisfaction and employability skills (2019 Employer Satisfaction Survey, [compared.edu.au](https://www.compared.edu.au)).

Professional experience

Our degrees have a strong focus on the integration of learning into the workplace through development of practical interdisciplinary skills, joint initiatives with business and industry, and high levels of professional experience. Notre Dame's Volunteering Network also offers a myriad of opportunities that allow you to give back to the community while adding real-life experience to your CV.

Career support

Our Careers Service can help you clarify your career and course decisions, as well as develop effective job search strategies from the first year of your studies. CareerHub is Notre Dame's job board with casual, graduate, internship and volunteer opportunities to support your skills development. It also provides income options for while you study. All Notre Dame students have access to careerhub.nd.edu.au to view jobs, resources, employer events or to make career appointments online.

Learning from experts

Students benefit from the expertise of our lecturers, who are leaders in their fields. The University provides a supportive classroom environment that facilitates discussion and practical, career-focused learning.

Global experience

Notre Dame inspires you to become an active global citizen through a range of international exchange programs, professional placements, study tours and volunteer opportunities. You can expand your horizons by applying to study a semester of your degree at a range of destinations across the world at one of Notre Dame's partner institutions in Europe, USA, Canada and Asia.

Connected online and on campus

Whether you're studying online or on campus, Notre Dame University's student experience is all about student success, wellbeing and a vibrant campus life.

Student associations and clubs

Notre Dame's Student Associations are at the heart of student life at the University. As a student you are a member of an association that represents and supports all students and develops Notre Dame's unique student community. There are also numerous student clubs and societies offering opportunities for you to develop socially, professionally, spiritually and academically.

We encourage you to engage with NDSA (Fremantle Campus) and SAUNDA (Sydney Campus), as you automatically become a member of the student association on your campus when you enrol at the University.

Volunteering

As a student you can make a difference and volunteer for an organisation that fits with your interests and values. Notre Dame's Volunteer Network offers a myriad of opportunities that allow you to give back to the community and strengthen your real-life experience.

Career Service

If you are unsure of your career pathway or want to build professional networks and job seeking skills well before you finish your degree, our Career Service can help you with all you need to know about job planning and applications. Once you enrol, simply visit careerhub.nd.edu.au to view jobs, resources, events or to make career appointments online.

Mentor program

Being linked with a student mentor means you can gain inside information on everything you need to know for a smooth transition to university life. It's also a great way to meet people and make the most of your uni experience.

Sports

Immerse yourself in all things sport and recreation and get involved in a range of social sporting competitions and activities. If you are into competitive sports, you can represent Notre Dame at national competitions. Online fitness classes including yoga and pilates are also available throughout the semester.

Elite Athlete Program

Notre Dame is part of the Elite Athlete Education Network (EAEN), committed to supporting Australia's elite athletes to achieve academic excellence whilst pursuing a sporting career. Eligible elite athletes will be able to negotiate their study and assessment options or explore flexible study arrangements during the course of their university degree.

Accommodation

If you're going to be based in WA while you study, you can enjoy living in the heart of Fremantle in one of our three residential halls located on the Fremantle Campus in historic West End buildings. If you're based in NSW, there are a number of off-campus accommodation options available in the heart of Sydney close to our Broadway and Darlinghurst Campuses. For more information about accommodation options in both Sydney and Fremantle, visit notredame.edu.au/accommodation

Chaplaincy

The Chaplaincy team works to promote, encourage and engage students' faith on campus and to offer the chance for students and staff to flourish and seek excellence beyond measurable academic criteria. Chaplaincy welcomes students of all backgrounds and faiths, or no faith at all.

Counselling

Our free and confidential professional counselling service helps students develop skills and strategies that enable you to achieve your personal and academic goals, making your time at university more comfortable and stress-free. The Counselling Service also offers phone counselling to ensure that you can access this resource off campus.
