# Entry Changes

## No ATAR requirement

[torrens.edu.au](https://torrens.edu.au)

## We have always believed that ATAR is not a true representation of a student's future success.

So we have removed it as an entry requirement, for good. We know that the individuality of the student, their strengths, and future potential is a better indication of how they might succeed in higher education.

## Why the change

We have strong evidence to demonstrate that an ATAR score does not provide a full picture of a student's ability to succeed. So we focus on the skills and passion they bring to the table and build on their abilities from there.

## Our new admissions criteria

Students with a recent secondary school education will now be considered for admission if they have completed Year 12 (Australian secondary school certificate) or equivalent.
